

## Weston Upon Trent – Handicap Route 2021

We start at a triangle in the road on Trent Lane – just down the road from the village hall. Parking – please park considerately at all times – and safely too of course.

We are running clockwise so proceed down Trent Lane (keeping right slightly at the end) until, having crossed the canal, you come to the towpath. Turn right onto the towpath and keep going to the 2<sup>nd</sup> bridge (A).

Go onto and across the bridge and up the short incline (it is short honestly) and follow the path passed the Ukrainian Club and

keep going RIGHT up the road until you come to a footpath coming off to the right (C).

Follow this path along and you will have the woods tight on your right hand. The path emerges by the church (D).

Go left along the church wall and you see a public footpath sign (E).

You will see a waste bin in a gap in the hedge with a path through the church yard that emerges to the start of a field path (F)

This path clearly exits the field onto a hard path which reaches a T junction (G). Go down the alleyway and join the road following it to a triangle in the road and going right you will quickly arrive back at the start.
